Staff Spotlights

Each month we highlight members of our staff that make The Landing a welcoming and wonderful place to be.

Thank You!

Julie Streufert

Executive Director of The Landing

About Me:

Hello! I am Julie Streufert, the new Executive Director of The Landing.

I have a bachelor's degree in Social Work and have spent most of my career working in the area of Long-Term Care.

I have had the privilege of working with both children enrolled in The Children's Long-Term Support Waiver program and the aging population enrolled in Family Care services.

I am grateful for the experiences and lessons learned from the families I served. I currently lead the Children's Long-Term Support Team as a supervisor at Social Services.

I know these experiences and gained knowledge will be an asset as I transition into my new role at The Landing.

I am a Wausau native, born and raised in the area. I have many favorite local spots, some include fish fries at Loading Zone, walking downtown along the river's edge, live music at the 400 block, and enjoying nature's beauty from the top of Rib Mountain. In my free time I do enjoy taking walks, biking, baking, listening to live music and taking road trips. I have two sons, ages 21 and 17. They are developing into their own independent adults, but we still enjoy those family dinners and mini getaways.

I am excited to be joining the team at the Landing and look forward to getting to know each of you!!!

Fred Tealey

Group Exercise Instructor

About Me:

Teaching cardio classes at the Y has been an amazing experience for me the last few years. I teach Full Body Fitness and Butts and Guts. My experience goes back to 2000 when I taught cardio kickboxing at Wausau Health and Fitness.

Originally from Eau Claire, I graduated from UW-EC; I then was employed for 3 years at UW-Madison hospitals in the psychiatric unit as a psych tech. Finally, my teaching career began as a high school English and speech instructor in addition to coaching mock trial and debate for over 30 years. After retirement, I worked part time at United Airlines as an agent, long-term subbing at West and East, and now at the YMCA.

My wife Jane passed away a few years ago, and she taught at NTC for 30 years. After her stage 4 diagnosis she opted to redevelop the back yard for a tremendous garden venue vis-a-vie Land Art. I decided to renovate the lower level of the house and start an Airbnb business called Marquardt Hill Gardens. This business has been operating for 8 years; it is particularly busy in winter for skiers, but also the unit is busy in the summer with the gardens as a draw.

Alison Simon is my daughter, and I also have two grandchildren, Fernando and Mayabella, who are students at Wausau East. Attending their concerts, plays, parades and other events is a priority. They are the love of my life.

Being a part of the Landing is just a fantastic experience with the many friends I have made as well as all the exercise programs. Many of us say: if we didn't have The Landing, what would we do?

Volunteer Spotlight

You make a life by what you give."**

Winston Churchill

Special Events Volunteer at The Landing

Volunteer - Christine Alft

About Me:

I've been a Birthday Bash volunteer at The Landing since August of 2022 and really enjoy meeting new people and hearing their stories during the celebrations. I'm the official cake cutter, so, if your slice of cake is smaller than your neighbor's, you may file a complaint at the complaint department. I'm not sure where they moved it after the remodeling.

After a 34-year career as a Registered Nurse, working in Wausau and Madison, I retired and found so much joy in doing whatever made me happy. Staying active and socially involved is a vital part of my life and The Landing is an important part of it. It's like having a second family, and a reason that no one should ever feel alone.

When I'm not at The Landing I enjoy the outdoors and spending time near my hometown. White Lake offers swimming and fishing and the nearby Wolf River and surrounding area is absolutely beautiful. Biking, hiking, kayaking and campfires with friends and family fill my time and leave pleasant memories.

and hearing their stories during the
birthday celebrations."**

June 5th – K-Pax: A mysterious patient (Kevin Spacey) at a mental hospital who claims to be from a distant planet called K-PAX. As his psychiatrist (Jeff Bridges) tries to figure out exactly how to help the patient, he gradually begins to realize that the so-called alien is having a remarkable effect on the mental health of the hospital's other patients.

June 12th – The Hiding Place: A 1975 film based on the autobiographical book of the same name by Corrie ten Boom that recounts her and her family's experiences before and during their imprisonment in a Nazi concentration camp during the Holocaust during World War II.

June 19th – The Curious Case of Benjamin Button: Born under unusual circumstances, Benjamin Button (Brad Pitt) is born an elderly man and ages in reverse. Twelve years after his birth, he meets Daisy, a child who flickers in and out of his life as she grows up to be a dancer (Cate Blanchett). Though he has all sorts of unusual adventures over the course of his life, it is his relationship with Daisy, that drives Benjamin forward.

June 26 – The Secret Garden: When a young girl is sent to live with her uncle after the death of her parents, his manner and sorrow leaves her feeling bitterly alone. Neglected once again, she begins exploring the estate and discovers a garden that has become hidden and, aided by one of the servant's boys, begins restoring it to its former glory.
