Aquatic Center Party Check-In and Pool Rules

All participants should gather in the front lobby area of the Aquatic Center. Once everyone is ready, one designated adult should come to the front desk to check in the group.

If guests are arriving at different times, please have each individual check in at the front desk and let the desk attendant know they are here for your party.

After check-in, a pool manager may meet with your group to review pool rules and any other important information. Important Pool Visit Rules
