

Hello valued Woodson YMCA member! This message is being sent to keep you informed of upcoming changes with your membership rate.

Membership Rates

Beginning October 1, 2026, there will be a slight adjustment to our membership rates. Household Membership rates will increase by \$2 per month, while all other membership categories will increase by \$1 per month. This adjustment reflects rising operational costs and allows us to continue investing in the quality of our facilities, services, programs and amenities. We greatly appreciate your continued support and remain committed to providing an exceptional experience for all our members.

RATES EFFECTIVE 10/1/2026

MEMBERSHIP TYPE:	Current Monthly Rates:	New Monthly Rates (beginning 10/1/2026)
Youth (6 months-17 years)	\$23	\$24
Young Adult (Ages 18-24)	\$38	\$39
Adult	\$57	\$58
Household	\$79	\$81
Seniors 55 +	\$52	\$53

We remain dedicated to supporting our community by ensuring that everyone has the opportunity to lead a healthy lifestyle, build confidence, connect with others, and continue learning and growing. If this rate increase creates a challenge for your household budget, we encourage you to explore our *Community Supported Membership Program*. This income-based program is designed to keep the Y affordable and accessible for all. To learn more, please visit www.woodsonymca.com or contact our Member Services Center at **715-845-2177**.

Just a reminder that The Woodson YMCA is here for you, anytime and anywhere with;

- **24/7 ACCESS:** We offer 24/7/365 access at our Weston/Aspirus location. For the low price of \$5/month and a one-time \$20 fee for the key fob, you can add this option to your membership. This access allows you to workout in the Wellness Center or Gym anytime day or night (or even holidays).
- **YMCA360:** Our Woodson Y offers YMCA360 FREE to our members. This is a completely portable way for you to enjoy programming for the whole family from home, work or anywhere. Check out our website for more information.
- **NATIONWIDE ACCESS:** We are a Nationwide YMCA which allows our members to use the majority of YMCA's across the country for FREE. Whether closer to home or traveling far away, your membership is there. Just notify the member service personnel at the Y you are visiting, that you are a Nationwide Member.

If you have any other questions or concerns, please contact Erin Stuart, Association Director of Membership & Operations, estuart@woodsonymca.com

On behalf of all of us here at the WOODSON YMCA, we thank you for your continued membership, participation and support. As a non-profit organization, your support makes a difference in the communities we serve.

With sincere appreciation,

The Woodson YMCA Membership Team

Watch for upcoming information on Membership Appreciation Week September 21st -25th
